JULY 2022

### MIDSUMMER News from the Bracebridge Tennis Club

When it comes to tennis at Kerr Park, so far so good, right?

The porta potties are gone. Instead we have the sparkling white washroom trailer which is cleaned daily. Eventually it will be relocated to the former porta potty location with proper electrical connection. And the Town of Bracebridge has just installed the base for a fully functioning water fountain in front of the Chalet. We have been told to expect a working water fountain within the next two weeks.

BUT WAIT, there's more; Bracebridge's tennis season is about to get a whole lot better. And busier. Save these dates:

**Wednesday August 17**, 4:30 p.m. onwards. Our annual social, much missed these past two years, is back. Food, drink, fun off and on the court. More info to come.

**Tuesday August 23** Women's Mixer . Back this year. A wonderful opportunity for women in both the Advanced and Open sections to come together for great court play and camaraderie. Rain date: Wednesday August 24.

**Late August/early September:** The inaugural Bracebridge Tournament of Champions. Doubles Competitive play. Details to come.

**PLUS: Stay tuned for a Singles – yes, singles! – Ladder and Cardio Tennis.**

**MEANWHILE, BACK BY POPULAR DEMAND:** Davi's doubles strategy clinics have been getting rave reviews. **A new four-week session on Mondays is starting August 8.** \$180 (no refunds). Rain dates: Wednesday of same week.

If interested, email Denise Hounsell at [denisehounsell@hotmail.com](mailto:denisehounsell@hotmail.com) with your league information (Open, Advanced, Evening). Denise will contact interested participants if/when there are enough players.
